Hi Dee,

You're correct. I'm back in the office after 3 1/2 days in the field with staff from the Grand Junction Field Office. The packet is back on my desk with a few VERY minor edits to the Info Memo (this always happens as each reviewer looks at it). I'll get the changes made in the next few minutes and then it will be on the Director's desk for actual signature - so I expect we'll be loading it into the Document Tracking System (which is how it gets to WO) on Monday or Tuesday. I'll let you know the moment we get that task completed.

Respectfully,

Hi Steve
Your last email said that the Sunshine withdrawal was in front of the director for signature. Is that the State BLM Director? Then it goes into the Tracking System and its then on its way to the WO, is that correct?
Thanks!
Dee
